Exclusive well-planned pool villa with large garden and nice sea views, located in Urb. Los Almendros in Salobreña.

Newly renovated well-planned villa with a large plot of 1,340 sqm in the renowned urbanisation Los Almendros, considered one of the ten most exclusive urbanisations in Spain. Located just before the entrance to the centre of Salobreña. To the nearest beach it takes 12 minutes to walk and to the nearest large supermarket, it takes 7 minutes by car. The villa is ideal for rental, sold fully furnished.

The villa has a total of 5 bedrooms and 3 bathrooms, another toilet by the pool area. The house has recently been renovated with high quality materials and when we enter the entrance floor, we are welcomed by an open floor plan with lots of light and energy.

On the entrance floor we find the living room with dining area, as well as an adjoining large fully equipped kitchen. The living room leads you out to one of the large terraces that, here you sit and enjoy the lovely view of the mountains and the sea. On this level there are also three of the bedrooms and two bathrooms, one of the bedrooms is ensuite. Up the marble staircase to the upper floor, where you will find two more bedrooms and a bathroom. Both bedrooms have access to a private terrace, air-conditioning in all five bedrooms.

Spectacular pool area with lawn and mature garden, which frames it all. There is also a bar-b-q area with a large covered terrace, ideal for an outdoor kitchen. There is also a toilet, so you don't have to go into the house. The pool area and garden are accessed via a staircase from the ground floor, or via the garage entrance.

Salobreña has a subtropical climate and is located between Almuñécar and Motril, it takes less than 20 minutes in either direction to each town. Motril is a much larger town and has more public services, including a large hospital. An 18-hole golf course is only 12 minutes away by car. Malaga airport is just over an hour away by car, and there are also regular bus services from Malaga to Salobreña. During the winter months you have only an hour and a half drive to Granada and skiing in the Sierra Nevada, the best of both worlds.
