Costa Calida, La Manga del Mar Menor

Four double bedrooms Four bathrooms Garage space Close to amenities Close to the many beaches La Manga is a unique location in Europe, it is a strip of land 21 Km long and 300 metres wide (average). La Manga means 'sleeve' and it is a strip of land which separates the Mediterranean Sea from the Mar Menor (Small Sea). Along it's coast on both sides, there are beautiful 'Blue Flag' beaches with white sands, ideal for family holidays. The Mar Menor is the largest lagoon in Europe and has a surface area of 130 sq km and a maximum depth of 8 metres. The crystal clear waters are warm, calm and rich in salts and minerals, in fact the temperature never falls below 18degrees. In certain areas of the Mar Menor the therapeutic clays can be found, these are a favourite with the Spanish tourists, who cover themselves with the clay and then bake in the hot sun. It is said to be good for skin complaints, rheumatism and arthritis etc. La Manga offers the tourists a wide range to choose from, including, Spanish, Greek, Indian, Chinese, Mexican etc. The Tomas Maestre Marina which is situated towards the end of La Manga Strip comes alive at night with its many bars and restaurants.
