Andalusian finca in a private location with orchard and pool Welcome to this wonderful Andalusian finca with stunning mountain views. A perfect accommodation for those looking for seclusion in a rural environment with a fruit plantation with mangoes and avocados in production. The house also has a large pool with a large terrace, sauna, shaded porch, outdoor kitchen with pizza oven, fireplace and grill. The finca is located only 20 minutes drive from the beaches of Almuñécar towards the charming mountain village of Jete. The house has two floors distributed as follows: Ground floor with large living room, open kitchen, storage room and bathroom. On the upper level there are three bedrooms with air conditioning, a bathroom and a large, south-west oriented terrace. The house has a modern septic tank and irrigation system for the orchard. Fast internet for home work. The home has AFO. Do not hesitate to contact us if you have questions about the home or want to book a viewing!
