## Malaga Inland, Ronda

### EXCLUSIVE LISTING

A splendid villa combining sophisticated comfort and discreet luxury, set in a breathtaking landscape that has been a UNESCO Biosphere Reserve since 1977. The property boasts breathtaking views over three valleys, and from the moment you enter the house a 7-metre bay window frames this remarkable landscape. In addition to the talent of architect Kourosh Mohsenipour, various artists have created unique pieces, giving this house a unique refinement. On the garden level: a double living room, library, dining room, kitchen, as well as a large bedroom with bathroom and a vast spa complete with hammam. The terrace and garden surround this ensemble with a dining room and summer lounge. Upstairs: 3 bedrooms with en suite bathrooms, including a master suite with dressing room. A Mongolian yurt high up in the garden doubles as a library, meditation room or games room. The swimming pool (18m x 4m) offers a spectacular and unique view on the valley.
