It is a very modern Villa that was built in 2014 and it's in perfect condition. It consists of 4 floors. On the ground floor we find a garage of about 200m², where you can fit between 4 - 5 cars. There is also a small guest toilet and a storage room. It also has a worktop with a sink. Going up to the next floor we find the fully equipped kitchen, from where you have access to a terrace. On the same floor there is a bathroom with a shower. As well as one of the bedrooms, with a built-in wardrobe. There is also the dining room and the living room which opens onto the terrace and the swimming pool with a large window. This floor has underfloor heating. Upstairs is the master bedroom, which includes a dressing room and a large bathroom. There is also another bedroom which includes a built-in wardrobe. This floor has access to the roof terrace of the house. We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing.
