Costa Blanca South, Ciudad Quesada

This isn't for everyone. But if you value calm, elegance, and having your own space, this might just be your place. In Doña Pepa, Ciudad Quesada, there's a villa where no one sees you... unless you want them to. Lush greenery wraps around the property, giving you full privacy and that comforting feeling of being in your own little world. Just 40 minutes from Alicante Airport and a short walk from the La Laguna spa hotel, you're close to everything—yet far from the noise. The villa is fully detached, and you feel it the moment the electric gates open. A private path leads you to your double garage, and right then, you know you've found something special. Inside, there's room to live, breathe, and enjoy. Three floors designed for comfort, with plenty of space for guests—or just for yourself. If you're thinking of retiring, or simply want a better life under the Spanish sun, this could be it. If it speaks to you, don't wait. Homes like this don't stay available for long.
