Axarquía, Periana

Nestled in the foothills of La Torca, this charming single-storey bungalow sits amid rugged scenery and peaceful farmland —just 40 minutes from the sandy beaches of Torre del Mar and around 1 hour from Málaga Airport. It's an easy, quiet base with wide-open skies and exceptionally low light pollution for truly memorable stargazing. Currently arranged as 3–4 bedrooms and 1 bathroom, the home offers superb potential to reconfigure—for example, adding patio doors to bring in more light and unifying the front of the house into a flowing open-plan living/dining/kitchen space. That would naturally leave two bedrooms and two bathrooms to the rear (subject to design and any required approvals). Practical extras include a garage, washroom, and large storeroom, plus an outdoor kitchen and kennels. The plot is ~377 m² and the house (excluding outbuildings) is ~112 m². There's space for a pool in the front garden (subject to planning permission), making this an attractive rural retreat with room to tailor to your taste.
