It was only occupied for a few weeks during the holidays and is as good as new. On the side of the villa there is a nice covered terrace and behind it is the 10x5 swimming pool. From the various terraces that surround the house, the views of the mountains are superb. The garden has been landscaped with great care and there is a beautiful olive tree, palm trees, fruit trees and many Mediterranean plants. The villa is connected to the water, electricity, internet (fiber optic) and has a powerful alarm system with peripheral detectors, and pre-installation for a centralized air conditioning. It will be sold fully furnished. 45 minutes from the airport of Alicante, the coast and still a little closer to the beautiful city of Murcia
