Costa del Sol, Torreblanca

This could be your next home! Charming, comfortable, and bright apartment on the Costa del Sol.

This apartment features a spacious bedroom, perfectly distributed with built-in wardrobes with drawers, offering plenty of storage space. The recently renovated floors with floating wood give the entire home a modern and warm feel. During the renovation, the living room was divided with sliding doors, creating an extra room with its own built-in wardrobe, ideal for adapting to your needs.

In addition, the property boasts a southeast-facing terrace where you can enjoy morning sun and partial sea views with a clear, panoramic landscape that will provide you with peaceful moments.

The well-maintained building has an elevator and includes green areas and a communal swimming pool adapted for people with reduced mobility, ensuring comfort and accessibility for all residents.

The location is another major highlight, as it is close to the beach, public transportation (train and buses), supermarkets, and shops, allowing you to enjoy the convenience of having everything at your doorstep.

Don't miss this opportunity to live in a quiet and well-connected area. Contact me for more information or to schedule a visit.
