## Costa del Sol, Miraflores

We are delighted to bring to the market this wonderfully spacious apartment in the ever-popular urbanisation of Rancho Miraflores.

Situated a mere 15-minute walk to the sandy beach of El Bombo, this apartment hits the WOW factor the moment you enter the door.

The intense blue of the Mediterranean Sea is all you can see.

You have an ever-changing, uninterrupted view.

By day, it is the sparkling sea, and by night, the twinkling lights of the coast as far as El Faro lighthouse and beyond to the Sierra Nevada. On a clear day, the mountains of North Africa are visible.

Overlooking the two communal pools and communal gardens, this apartment is far from your usual one-bedroom home. Larger than expected, the current owners have maintained the space lovingly with taste and practicality. Currently, a sofa bed adds accommodation when you have some extra guests.

The bedroom is unusually spacious and considering it has a Super Kingsize bed, you will see from the photos the ample square meters. Notice the built-in wardrobe, side tables and still room for a bureau.

Additional storage in the entrance hallway is a bonus.

This is an apartment you need to visit in person or by live video call at least. Mere photographs cannot do it justice, and we rarely say that!

Very few homes offer you such a beautiful view from your kitchen sink!

Fully equipped and including a secure, underground parking space, this apartment is ideal for a private home, a holiday home or as a holiday rental investment.

The community allows both long and short term rentals.

Contact us now to arrange a viewing. Properties with such fantastic views ( that can never be blocked by a new build ) are not on the market for long.
