Axarquía, Sedella

This unique property is a 300 year old former monks' retreat, located in the countryside area of Sedella, Malaga, Andalusia. The original property was reformed many years ago to become two separate properties, so this property is attached to another property, each with its own entrance but with a common terrace area and barbecue. This property is very close to Sedella and Canillas de Aceituno, the nearest picturesque village which has all amenities such as shops, restaurants, medical centre, schools, etc. The house has two bedrooms and one bathroom, one of which is used as a living room/kitchen. In addition, the property comes together with a plot of land of over 15.000m2 which has two small houses that can be reformed to make two more separate dwellings. The access to this countryside area with the two small houses is totally private, as well as having views to the mountains and the sea, and a flat land that can be used for different activities. This is a unique opportunity to obtain an authentic historical building perfect for renting, as well as being able to make two small separate houses to live in and enjoy a private space with good views!
