Costa del Sol, Riviera del Sol

This exclusive project with an elegant Scandinavian design blends harmoniously with the surrounding nature. The architecture of the townhouses follows seamlessly the undulating shapes of the waves.

BEAUTY. PASSION. PERFECTION.

South facing unique energy efficient homes, with beautiful panoramic sea views and breathtaking sunsets, makes living here enjoyable and fun under the sun.

THE HIGHEST STANDARD

All the materials are of the highest quality, with well-known brands, modern gourmet kitchens, designer bathrooms, underfloor heating in the whole house and high energy efficiency are details that make the difference.

Enjoy panoramic sea views and lovely sunsets on the roof top terrace of your new home.

The complex is next to a green area, which will be designed using beautiful trees and a little park where you can walk and enjoy the fresh sea breeze. The landscaping blends perfectly into the area.
