The bright apartment has a great floor plan with no wasted square meters. The kitchen, living room and dining room form a spectacular ensemble, where quality and materials have not been compromised. The living room is really bright with the light coming through the glass doors that are the width of the entire room, from which you access to the terrace with nice views to the golf course. The spacious kitchen is fully equipped and there is plenty of counter space. All the bedrooms are spacious and there is plenty of storage space. Next to the kitchen you find practically a separate place for laundry. The community offers a comfortable environment to live and do activities. There is a big swimming pool and the complex is completely fenced. Parking space is right in front of the apartment. Warmly welcome to visit. We are also happy to reserve a video presentation time.
