Costa del Sol, Málaga (town)

This development is an innovative residential project located in Málaga, designed to provide a sustainable and comfortable lifestyle.

Featuring a total of 165 homes with 1 to 4 bedrooms, spacious terraces, and fully equipped kitchens, the project emphasizes sustainability with an AA energy certification and the use of renewable energy sources.

The development offers extensive green areas, swimming pools, yoga and calisthenics zones, children's playgrounds, and community spaces focused on well-being.

Additionally, it is strategically located near the airport, Málaga's historic center, and the university campus, offering the perfect blend of tranquility and accessibility.
