Costa del Sol, Benalmádena (town)

This generous and modern villa is located in one of the best residential areas in Benalmádena, within walking distance to the beach and Benalmádena Pueblo. The 3-story villa not only stands out for its excellent location and sensational sea views over the Bahía de Fuengirola, but also for its modern and light-filled open design.

On the first floor, there is a high-quality designer kitchen that flows into the spacious living and dining area with double-height ceilings. Floor-to-ceiling windows offer sensational views of the infinity pool, the sea, and the beautifully landscaped tropical garden. On the second level, there are 3 bedrooms with ensuite bathrooms and balconies with equally stunning sea views.

The basement features a spacious, light-filled guest apartment with a living-dining area and a small open kitchen, as well as another bedroom with a bathroom and separate toilet.

A huge hobby or multipurpose room, in addition to a storage room, heating room, double garage, and an elevator serving all levels, completes this well-designed house.
