The plot is 1,836 square metres, of which 1,036 square metres is considered buildable. With current rules, a building may be 20% of the buildable area. The plot currently has many avocado trees. The owner of the plot also owns the neighbouring house and it is also for sale, see further on our website. During the winter months you have less than an hour and a half drive to Granada and skiing in the Sierra Nevada, the best of both worlds.
