Accessed by a separate outside entrance and stairs you find a fourth double bedroom with an en suite bathroom and the use of its very own private terrace which is just perfect for guests! The owners have made many updates and renovations to this villa over the past five years - such as solar panels for the hot water and electric, air con and heating throughout, renovated master bedroom and bathroom and many other updates which make the villa very economical to maintain and run. There is a separate garage which is perfect as a large storage room plus private parking outside for two cars at the entrance to the property.
