Costa del Sol, Mijas

New contemporary promotion in Mijas Costa. Located between La Cala de Mijas and Fuengirola, two minutes from the Playa Marina beach. This urbanisation offers many leisure and service opportunities, such as several golf courses, including the "Chaparral Golf Club", less than two kilometres from the complex, shopping centres, supermarkets, restaurants and a medical centre. La Cala de Mijas is located in a unique setting and is very easily accessible. It is connected to the Costa del Sol's A-7 motorway and is very close to the ramps of the AP-7 toll road. It is less than 25 minutes from Málaga International Airport and a 40-minute drive from María Zambrano train station. Nearby are also major tourist sites such as Puerto Banús, the historic centre of Marbella and Fuengirola. The modern and secure project consists of 46 two and three bedroom flats spread over 2 buildings. Some of these properties have spacious terraces and panoramic views, while the ground-floor flats have a large garden. All properties have parking and storage space. There is a communal swimming pool with garden and chill out area. Every detail has been taken care of to make this urbanisation your future home.
