## Costa del Sol, Estepona (town)

Azata Delmare is a residential complex made up of 7 blocks of 3 heights with modern and contemporary finishes, which is made up of 74 homes with 2 and 3 bedrooms. From ground floors with gardens to penthouses with large terraces, which were undoubtedly designed to be welcoming, functional and sustainable spaces, and to enjoy the charming climate that the area offers. Whether it's residing or simply vacationing, Azata Delmare offers the lifestyle you deserve. The homes have open-plan kitchen layouts with large windows to maximize natural light throughout the indoor space. With an open kitchen integrated into the area where the living room and dining room are located, an efficient and comfortable distribution is allowed, to provide the best organization of the space. All apartments include a fully furnished kitchen equipped with SIEMENS home appliances, electric shutters and the installation of LED spotlights. In addition, a highefficiency aerothermal system is included, which serves both for the production of hot water and for the production of hot/cold air. This system is totally responsible with the environment, since it uses renewable energies, saving 78% in electricity consumption. The spacious common areas designed with pedestrian paths flow through beautiful garden areas, allowing an harmonious mobility where you can enjoy a walk and go to the recreation and leisure areas of the complex. From an infinity pool with a spectacular panoramic view of the sea and African coasts, where the sunsets will undoubtedly steal your breath away. A social club where you can relax and unwind either reading a book or enjoying with friends in a pleasant environment with wonderful open views. In addition to a community space for a gym, to provide you with the best physical well-being from the comfort of your home. The complex provides an underground access where the parking spaces and storage rooms are located. In order to guarantee a greater space for safe common areas, the circulation of vehicles is carried out entirely through the basement.
