IDRIS 6 VIEW With an unbeatable location, in a privileged area, next to Vithas Hospital and the Palacio Onieva and on the front line, with panoramic sea views, IDRIS VIEW was born. Located in a consolidated district, with all kinds of amenities and facilities, very well connected and within walking distance of the city centre, La Malagueta, Muelle Uno and Calle Larios and within the well-known Malaga neighbourhood "El Limonar" considered one of the best areas of the capital, where the experience of sailing on the Mediterranean is recreated, designing an emblematic building of new construction in the area. A project with only 4 boutique flats with terraces and/or garden and sea views. There are currently 2 available, with a modern and functional layout, large spaces and high quality, with 2 and 3 bedrooms. All flats include parking and storage (there is the possibility of purchasing a second parking space). A triplex is available for €1,555,000, with a large private garden surrounding the property, two bedrooms upstairs with sea views, and a semibasement with natural light and ventilation where you can customise the rooms as you wish. With the possibility of installing a swimming pool in the garden and a private lift connecting the three floors, on request. The Duplex available at €1,550,000, is a 2-bedroom, 2-bathroom penthouse with a terrace on the ground floor and another on the roof of 45m2c, with the possibility of installing a jacuzzi on request and spectacular views of the bay making the property unique. Also included is a private multi-purpose room of about 23m2c, in the semi-basement, with natural light and ventilation, with the possibility of customising the use, e.g. gym, workspace, wine cellar, game room, cinema room..... Planning permission has already been granted, so work has already started and demolition work for the construction of the 4 dwellings has already been carried out. The estimated delivery date is the end of the second quarter of 2025. It is a project prepared by Fernando Pérez del Pulgar, with luxury finishes by Porcelanosa, whose interior design is prepared by La Albaida and in which you can personalise the home according to your own wishes.
