Malaga Inland, Antequera

Located in the vibrant heart of Antequera town centre, this beautifully reformed 3-bedroom, 2-bathroom apartment offers the perfect blend of modern comfort and Andalusian charm. Set on one of the town's main shopping streets, right next to the bustling market, the property enjoys an unbeatable location and 3rd floor views (despite the building not having an elevator) with all amenities at your doorstep. The apartment boasts a generous 134m² of bright, open-plan living space, thoughtfully renovated in a contemporary style. A standout feature is the private terrace – ideal for enjoying morning coffee or evening drinks with space for a table and chairs. From here, soak in views of the charming street below and the rolling countryside beyond. Finished to a high standard with modern fittings, fresh neutral tones, and plenty of natural light throughout, this is a rare find in such a central location. Ideal as a permanent home, holiday base, or investment in one of Andalusia's most historic towns.
