INFINITY VIEWS The project consists of 21 semi-detached houses. With a starting price from €298,000 to €418,000. They are divided into 2 bedrooms, 3 bathrooms and living-dining-kitchen with direct access to a large terrace overlooking the sea. It has a communal area with swimming pool. Each property has a basement with individual garage and large storage space. A perfect option for both first and second homes. Torrox is located in the east of Malaga province, in the Axarquía region, and is known as the village with the best climate in Europe. The municipality is divided into two nuclei: Torrox and Torrox Costa, where you will find the promenade with the viewpoint and the lighthouse. Our project is in the urbanisation 'El peñoncillo', located on a hill, where you can enjoy breathtaking sea views. The project is 50 km from Malaga and 15 km from Nerja. The beach is 1500 m away, as is the connection to the N-340, a coastal road with beautiful views and beach access that connects the entire coast. The area of the acquisition is quite quiet, perfect area to live because of its proximity to Malaga and its perfect connection to the A-7 motorway. Moreover, it is an area where you can spend the summer with children and avoid the hustle and bustle of other busy coastal areas. On the promenade, there are several playgrounds for children and green areas for walking with your pet."
