Costa del Sol, Torreblanca

Imagine waking up every morning with the sun caressing your face and the sea unfolding before you. High above Torreblanca, this magnificent south-facing duplex is a haven bathed in natural light and surrounded by tranquility. Upon entering, you're greeted by a spacious living-dining room with a fireplace, perfect for winter nights, where the fire becomes the heart of the home. To one side, a separate kitchen invites you to prepare those special dishes to share with family or friends. The home features four spacious bedrooms and three bathrooms, functionally distributed to ensure privacy and comfort for all members of the household. But the most special feature are its three terraces, each with its own unique charm: one of them enclosed with Lumon, ideal for year-round enjoyment, and all with stunning sea views. In addition, the duplex includes an underground parking space, a storage room, and an elevator. But that's not all: the community offers a well-maintained and complete environment, with gardens, two swimming pools, and a paddle tennis court, turning every day into a vacation experience.
