On the plot there are 3 duly registered buildings. The main house has 412m² built on one level, currently divided into two large living rooms with fireplaces, a large double-height central recreation room, 4 bedrooms, 4 bathrooms (2 of them en suite), a toilet, and a large kitchen with a utility room with access to the terrace and barbecue area. Separated from the house we find a guest house with a constructed area of 83m² that is distributed over 2 floors connected by an internal staircase. On the lower floor there is a bedroom and a bathroom; on the upper floor there is a living room and the kitchen.
