The master suite, with its spacious walk-in closet, is the real showstopper. The home also features a large, fully equipped kitchen and a bright living-dining room filled with natural light. An independent guest house (1 bedroom + 1 bathroom) adds flexibility and plenty of possibilities. Outside, a raised wooden pool awaits—perfect for summer and easy to maintain—along with private parking for several vehicles. Features: PVC windows with double glazing, air conditioning in both houses, solar panels with a storage tank in the main house, and a 100 L electric water heater in the guest house.
