Costa del Sol, El Higuero

¡RARE OPORTUNITY! Stunning Top-Floor Twin Apartments in Higuero West. We are delighted to present those exclusive properties unlike anything else currently on the market in the area: two beautifully decorated top-floor apartments, seamlessly connected through a shared terrace door. Both properties have tourist licenses and are on the Top 10 list in our rental portfolio available for rent together, for large families or you can close the connecting door and have 2 separate apartments. Located in Phase 9 of the prestigious Higuero West development, these residences offer a rare combination of space, design, and lifestyle. Each apartment features two bedrooms; one apartment includes two bathrooms, while the other has one bathroom. Both offer open-plan kitchens integrated with the dining and living areas, extending effortlessly onto spacious terraces through large sliding glass doors. Every apartment comes with two private parking spaces and a storage room, ensuring convenience and practicality. The community provides access to several swimming pools and impeccably maintained gardens, with breathtaking views of both the Mediterranean Sea and the mountains. Built with sustainability in mind, the apartments benefit from renewable energy through an aerothermal system. About Higuero West Higuero West is an innovative residential project on the hillside overlooking Fuengirola, set within a unique and privileged location. Spanning 500,000 m², the development offers a wealth of green spaces, walking, running and cycling trails, children's play areas, a pet park, organic gardens, shuttle service to the Beach Club, and stations for bicycles and electric cars. A co-working space is also included, designed to encourage networking and creativity.
