Each apartment features two bedrooms; one apartment includes two bathrooms, while the other has one bathroom. Both offer open-plan kitchens integrated with the dining and living areas, extending effortlessly onto spacious terraces through large sliding glass doors. Every apartment comes with two private parking spaces and a storage room, ensuring convenience and practicality. The community provides access to several swimming pools and impeccably maintained gardens, with breathtaking views of both the Mediterranean Sea and the mountains. Built with sustainability in mind, the apartments benefit from renewable energy through an aerothermal system.
