## Malaga Inland, Gaucín

???? Family Home with Unparalleled Panoramic Views – 321 m<sup>2</sup> built area, 145 m<sup>2</sup> garden, and 334 m<sup>2</sup> plot This impressive four-story single-family home in Gaucín, one of the most vibrant and authentic white villages in the Serranía de Ronda region. Its main attraction is its spectacular open views of over 300° of the Castillo del Águila, Monte Hacho, Campo de Gibraltar, the Mediterranean Sea, and, on clear days, even the Rif Mountains in Africa. A property that combines the essence of Andalusia with spacious, bright, and high-quality spaces, ideal for those seeking tranquility without sacrificing a cultural and active environment. Layout • Lower floor 38 m<sup>2</sup> closed garage with capacity for three vehicles, elegant tiled floors, direct access to the home, and separate exit to the street. • Main Floor Entrance hall welcomes and organizes the layout. Spacious living room with fireplace and bar area, very bright thanks to large windows. Marble floors throughout the house and dimmable lighting create a cozy atmosphere. Fully equipped solid wood kitchen with breakfast bar and access to a terrace that connects to the private garden of ~145 m<sup>2</sup>, with barbecue, lemon tree, and fruit trees, direct access to the rear street, and the possibility of installing a pool. Separate dining room with fireplace, full bathroom, and practical pantry. • First Floor Foyer leads to four spacious bedrooms, all with high-quality solid wood built-in wardrobes, and a full bathroom. Of particular note is a cozy 29 m<sup>2</sup> glazed terrace with views of the garden and mountains. • Top Floor Laundry room and a spectacular 37 m<sup>2</sup> sun terrace with panoramic views of over 300°: the Mediterranean, Gibraltar, and Africa. Surface Area and Key Facts • Interior usable area (measured with Tour 360): ≈253.5 m<sup>2</sup> • Garage: 38 m<sup>2</sup> • Glazed sunroom: 29 m<sup>2</sup> • Approximate total built area: ≈321 m<sup>2</sup> • Garden: ≈145 m<sup>2</sup> • Plot/total graphic area: ≈334 m<sup>2</sup> (two cadastral references) • Official Cadastral Construction: 260 m<sup>2</sup> living space + 27 m<sup>2</sup> annex • Year of construction: 1999 (Data verified with digital plans and the Cadastre to ensure accurate and transparent information.)
