Costa del Sol East, Torrox Costa

Modern and elegant apartments in Málaga that combine contemporary design, functionality, and energy efficiency. Each home is built with a reinforced concrete structure and advanced thermal and acoustic insulation for maximum comfort throughout the year. The interiors feature large-format porcelain floors, bright and open living spaces, and bathrooms finished with refined porcelain tiles, chrome fittings, and resin shower trays with glass screens. Windows and balcony doors in anthracite-textured aluminum enhance both aesthetics and durability, while white lacquered doors and built-in wardrobes provide a clean, timeless look. Each apartment includes pre-installation for air conditioning via aerothermal systems and aerothermal-generated domestic hot water, ensuring sustainability and reduced energy consumption. The residential complex offers a communal swimming pool, landscaped areas, and private parking spaces equipped with electric vehicle chargers-creating a modern Mediterranean lifestyle where design, comfort, and environmental awareness come together seamlessly.
