Mar Menor, Mar Menor Golf Resort

We are thrilled to offer one of the most beautiful villas for sale within the prestigious Mar Menor Golf Resort. This stunning Rondella villa has been transformed into a modern unique home. The villa has been fully modernised to a very high standard, with sleek flooring throughout, creating an airy feel. Each room has been carefully designed with high-quality furnishings and complemented by premium appliances. Both bedrooms, along with the living area, are fitted with brand-new climate control units, while gas central heating provides a reassuring touch of cosiness in the cooler months. Set on a larger-than-average plot, the landscaped outdoor space is centred around a private heated pool, perfect for sun-drenched days. Its south easterly orientation ensures morning light and afternoon sun, creating an idyllic backdrop for leisurely breakfasts on the terrace and afternoons by the pool. The villa has two double bedrooms with fitted wardrobes, two bathrooms one ensuite, a modern fully equipped kitchen and large sunny lounge diner. It is set in a peaceful location but just moments from the resort's vibrant heart. You will find fantastic restaurants, welcoming bars, the golf course, a well-stocked supermarket and the exclusive Club MMGR are all within easy reach. The resort itself is a short drive to the Mar Menor beach town of Los Alcazares, 20 minutes from Murcia airport and an hour to Alicante airport. Contact us now to book a viewing appointment.
