Costa Calida, El Valle Golf Resort

Check out this stunning renovated three bedroom villa with private pool located on El Valle Golf Resort which has a stylish clubhouse restaurant with views over the golf course and down to the sea on the horizon, a private gymnasium for residents, supermarket, massage therapist salon and a childrens indoor soft play area. We do love the alcor design as it flows really well and has that spanish feel with the high ceilings and wood beams. On entering this beautiful villa you will find the lounge dining room which has high vaulted celings, a cosy fireplace and patio doors to the garden which has its own private pool. The kitchen has been updated to a modern white and they have created an extra large room where the covered terrace was. There are three double bedrooms with fitted wardrobes, the master bedroom has patio doors to the garden and its own en suite bathroom. There is also a family bathroom. This property comes furnished, vented AC, driveway parking, gas central heating and shutters on all windows and patio doors.
