The house itself is spacious and full of potential, though it does require renovation. Large patio doors open into the central living area – a bright dining room with an open-plan kitchen. On the opposite side, there is another bedroom (currently used as a music room) with a separate shower room and its own private entrance.

Below the pool terrace, the owners have created a fourth ensuite bedroom, along with several storage rooms and a charming wooden casita that has also been used as guest accommodation in the past.

The plot is home to a wide variety of fruit trees, providing both beauty and abundance throughout the year.
