Mar Menor, Los Alcázares

EXCLUSIVE SPECIAL OFFER - FREE air-conditioning installation when you buy one of these villas with us. This is a superb opportunity to purchase a brand new villa located in a first line golf position overlooking La Serena golf course. The villa offer spacious accommodation on one storey with a huge basement underneath and a solarium terrace above. The villas face North-West for sunny afternoons and sunsets across the golf course. Private swimming pools are included. The ground floor comprises a spacious living room with open plan contemporary kitchen, a master bedroom with dressing area and en-suite bathroom, two further double bedrooms with fitted wardrobes and a Jack and Jill bathroom. Steps lead down to the basement which measures around 124m and could be used for additional accommodation, a gym, cinema room or storage. The villas also have a spacious solarium roof terrace with lovely views. The sunny rear garden houses a private swimming pool with sun bathing areas around. These villas have electric shutters in the bedrooms, fully finished bathrooms, oven, hob and extractor along with internal and external lighting included. Contact us to arrange a tour of the area and these villas.
