Discover the blank canvas you have always dreamed of. We present a property in a quiet location with a solid structure approximately 270 square meters built, ready to be transformed into your ideal home or a high-yield investment.

🔑 Potential is the Key

This three-story building, built entirely of brick and in a shell condition, offers total freedom to design the interior layout to your liking, without any pre-existing limitations. It is the perfect opportunity to create a modern, efficient, and fully customized space.

???? Access Floor:

The street-level floor is open-plan, offering unparalleled versatility. Ideal for housing several vehicles, converting it into a large warehouse, or creating a spectacular entrance loft, workshop, or professional studio with direct and convenient access.

???? First Floor: Light and Custom Design

Open Layout: The open-concept space allows for the design of an open-concept living-dining room, bedrooms with walk-in closets, or a large kitchen.

Interior Patio: An interior patio adds exceptional value, ensuring cross ventilation and natural lighting in the heart of the floor, perfect for a vertical garden or reading corner.

🔑 Top Floor: The Oasis with Views

Multipurpose Room: An already differentiated space, ideal for a private gym, office, art studio, or guest suite.

Panoramic Terrace: The crown jewel is its large terrace offering unparalleled views stretching from the deep blue sea to the imposing mountain silhouette. The perfect place to set up a chill-out area and enjoy sunrises and sunsets.

???? Highlights for the Discerning Investor/Buyer:

Solid Structure: Brick building with great potential.

Total Customization: Save on demolition costs. The buyer designs the layout, materials, and finishes from scratch.

This property is not just a house, it is a life project. Ideal for architects, builders, or families with a clear vision of their future home.
