Costa del Sol, Calahonda

No viewings before Christmas! On the top of Calahonda you find this nice and open apartment with amazing and panoramic views over the sea. On a clear day you can enjoy the view to Africa and Gibraltar. The apartment is distributed in two-bedroom areas with two bedrooms in each and a huge open plan kitchen/living room area, with stunning views in between. The bedroom area that contains the master bedroom and a second bedroom also has amazing sea views from both bedrooms with direct access to the terrace. One bedroom is "en-suit" with a bathroom with both a bathtub and a shower. The second bathroom in the hallway is having a shower. The other bedroom area is perfect for guests, older children, or teenagers. Two bedrooms with a bathroom to share. Even these bedrooms have sea view. Also, there are plenty of built-in wardrobes in the hallway of the apartment to use as extra storage. The whole living room area and the master bedroom area are covered with sliding glass doors and surrounded with terraces. One east bound for morning coffee and one huge to the south with a lot of space for dining, sunbathing and lounge areas. There is also a fireplace, both on the inside and on the outside. For cooler days there is also an infrared sauna. This property has a storage room and a covered garage space. The community has a very well-maintained garden with 2 pools.
