Malaga Inland, Cártama

Nestled in the Cártama countryside but conveniently close to town, this single floor finca offers the best of both worlds, tranquil rural living with easy access to modern amenities. This two bedroom home has recently been renovated with new flooring throughout, new air conditioning/heating units, new interior doors, a new open plan kitchen and the electrics have been upgraded. At the entrance to the house is a covered terrace which is partly enclosed and leads onto the pool area with a sunny patio which overlooks a large garden filled with tropical plants and fruit trees. The plot has two access gates, there is ample outside parking by the house or a large two car garage, which could easily be made into a small apartment or a third bedroom with an ensuite bathroom if extra living space is needed. From its elevated position this wonderful finca has amazing views of the surrounding countryside and is less than 5 minutes from the town of Cártama and with quick access to the main road is just 20 minutes from Malaga airport.
