In the heart of nature and just a few minutes from Ojén and Marbella, this impressive 76,000 m² rustic plot is located in Puerto de Ojén, a unique enclave for those seeking space, privacy, and a truly special project.

The property offers the possibility of building a detached single-family home, without the need for any connection to agricultural or livestock activity, and also opens the door to larger projects such as a rural hotel, retirement home, wellness center, or care facilities, among others, as well as agricultural and livestock activities.
