Spectacular fully renovated apartment in Huelin – 8th floor with open views

We present this bright corner apartment located on the 8th floor with elevator, in one of Málaga's most sought-after areas: Huelin. A property that stands out for its height, natural light, clear views, and complete designer renovation.

The property has been fully refurbished in a modern Nordic style, featuring parquet flooring, white lacquered doors, and high-quality finishes throughout. It is ready to move into.

The layout is practical and functional. It currently offers 3 bedrooms, one of which has been converted into a spacious walk-in dressing room. There is a modern bathroom, an independent fully equipped kitchen with a separate laundry area, and a west-facing terrace where you can enjoy beautiful sunsets and open views with the sea in the background.

The apartment is exterior and very bright thanks to its corner position and height. It also includes air conditioning and an installed alarm system for added comfort and security.

Unbeatable location:

- 5 minutes walking distance to Huelin Beach
- Metro station at the doorstep
- 10 minutes from María Zambrano train station and Vialia shopping center
- Surrounded by shops, schools, restaurants, parks, and all services

An ideal property both as a permanent residence or as an investment in one of Málaga's fastest-growing neighborhoods.
