Costa del Sol, Mijas

This is a fantastic opportunity to own a townhouse in the heart of Mijas Pueblo. This authentic Andalusian-style property has been fully renovated to a high standard. Through a beautiful solid wooden door, you enter a bright living room with an open fireplace and an open-plan kitchen and dining area. Next to the kitchen, there is a spacious laundry and utility room, as well as a brand-new modern bathroom with a walk-in shower. Upstairs, the staircase leads to three bedrooms with character and a second bathroom with a shower. The third bedroom could easily be transformed into a dressing room. The property is located in a charming urbanisation within the village, close to a picturesque chapel and fountain. All amenities, including shops, restaurants, and services, are within easy walking distance. There is no need for a car, as public transport is nearby. However, if you do have a car, ample street parking is available close to the property. This is a unique opportunity to purchase a holiday home, a permanent residence, or an excellent investment property for holiday rentals in Mijas Pueblo.
