Despite its peaceful setting, the property is within walking distance of the village, offering the perfect balance of seclusion and convenience.

### Property Details

Designed by the current owners to embrace the very best of outdoor living, this well-built home flows effortlessly between indoor and outdoor spaces. Large openings and thoughtfully positioned terraces allow you to wander freely in and out, fully enjoying the space, tranquility, and panoramic views.

A sweeping driveway, lined with lush planting, leads you to the property and immediately creates a strong first impression. The home truly has the wow factor. Traditional double Andalusian doors open into an impressive double-height entrance hall, setting the tone for the rest of the house.

French doors lead into a sunken lounge, where large windows draw your eye towards the shaded terrace and gardens beyond. The spacious living room features a striking wood-burning fireplace, perfect for cozy winter evenings.

From the lounge, there is direct access to both the kitchen and dining room. The layout could easily be converted to open-plan living if desired.

The fully fitted kitchen offers space for a breakfast table and features an attractive archway looking through to the dining room. The dining room also has French doors leading out onto the terrace – a testament to the owners' thoughtful planning and design.

On the ground floor, you will also find:

Two generous double bedrooms, each with ensuite bathrooms and a separate storage room

The Master Suite has its own floor! Upstairs, the landing includes a small office area. The master suite comprises: A spacious bedroom, Walk-in wardrobe, Large ensuite bathroom with bathtub, Private balcony with spectacular panoramic views

### Gardens & Outdoor Living

The gardens have been lovingly designed and planted by the owners, many of the plants grown from seed into the mature, subtropical Mediterranean landscape you see today.

The pool area sits to the side of the property, offering a private retreat to relax, swim, or unwind in the hammock while enjoying the peaceful surroundings.

Below the villa lies your own olive grove, providing enough olives to produce olive oil for the year – a true taste of Andalusian country living.
