Costa Tropical, Vélez de Benaudalla

Up in the old Moorish quarter of Vélez de Benaudalla, close to the castle, you will find this cozy, detached village house. The conveniences of the village, and yet from both charming terraces a magnificent view of the green surrounding mountains, and even a view of the often snow-capped peaks of the Sierra Nevada? That is truly unique!

Vélez de Benaudalla is an always lively village with a very rich Moorish history. Fully equipped, and only a 15-minute drive to the beach!

Among other things, the central location and rich history make this friendly village an ideal place to live or stay on holiday.

This detached, single-story house is located on a car-free street, but there is plenty of parking very nearby. If you come walking from the center, you walk via the most beautiful little street in the village, the authentic ‘flower street,’ straight to the lovely terrace at the front of the house, with various seating areas and a beautiful view of the surrounding mountains.

From this terrace, you can enter through one of the two entrances. Once inside, on your left are 2 rooms, one of which has a cozy authentic fireplace.

These 2 spacious rooms can be used as a bedroom, office, or gym, for example.

On your right are also 2 spacious rooms, which were used as a living room and bedroom (en-suite with shower). These 2 rooms are equipped with air conditioning.

On this side of the house, there is also the kitchen, utility room, a bathroom with a bathtub, and the stairs to the cozy rooftop terrace, with a phenomenal view over the village and the surrounding mountains and nature.

The house is equipped with solar panels, a spacious indoor garage/storage room, and over the past 3 years, various adjustments and renovations have been made, making the house ready to furnish in your favorite style.

Can you already see yourself, relaxing in a jacuzzi on the rooftop terrace, with a cool drink in your hand, enjoying all the beautiful things this location has to offer?
