South-Facing Detached Villa with Panoramic Sea Views: A Prime Renovation Project

### Location & Potential

Located in the established residential area of Veracruz, Benalmádena, this detached villa sits on a generous 741 sqm plot. This property represents a strategic opportunity for investors or families looking to design a bespoke home in a quiet, high-demand neighborhood known for its safety and capital appreciation.

### Technical Specifications & Versatility

The residence offers 140 sqm of living space on a single level, including an enclosed terrace integrated into the main living area. Facing due South, the property is bathed in natural light. The current layout features 3 bedrooms, 2 bathrooms, and an independent kitchen. Crucially, the property's structure allows for a complete floor plan reconfiguration, enabling the relocation of the kitchen to create a contemporary open-plan living space facing the Mediterranean.

### Investment & Lifestyle

The exterior includes a private swimming pool and a covered parking space with storage capacity. Veracruz is undergoing a significant transformation, with modern renovations consistently driving up local market values.
