Axarquía, Alcaucín

Spacious urban house with 4 bedrooms and 2 bathrooms in the heart of Puente Don Manuel. This practical property is located in the centre of Puente Don Manuel, just 20 minutes from Torre del Mar and Vélez-Málaga. Málaga airport can be reached within 50 minutes. Restaurants, bars, a supermarket and other amenities are within walking distance. Upon entering, you enter a spacious hallway that provides access to the kitchen and living room. Both rooms are spacious and fully functional, equipped with central heating and air conditioning. Although in good condition, they could be modernised to better suit modern living requirements. All four bedrooms are on the ground floor and have fitted wardrobes, central heating (gas) and air conditioning. The two bathrooms are equipped with a bath/shower, toilet, sink and bidet. At the rear of the property is an attractive courtyard. This provides access to the garage, roof terrace and a separate casita. Equipped with a small kitchen, utility room and living room with a fireplace, this annex is ideal as a guest house or additional living space. The roof terrace offers stunning views of the surrounding houses and mountains. The property has a large garage of 60 m², currently used as a workshop. A spacious plot is available at the front, perfect for planting a garden or swimming pool. This area can also be used as additional parking space. The covered front terrace, surrounded by an elegant balustrade, is an ideal place for relaxing or outdoor dining. The plot is fully fenced, offers parking for several vehicles and has an automatic gate.
