Costa del Sol East, Frigiliana

Large, 3 bedroom townhouse including a guest apartment with fantastic views and a communal swimming pool.

This property is part of a small, well run, urbanisation, " Puerto Blanquillo", that was built in 2008 and consists of just 15 houses on the outskirts of Frigiliana.

The house is spread over 4 floors. On the entrance level there is a fully equipped, modern kitchen, a W.C. and a good sized lounge & dining room that opens onto one of several private terraces. This terrace offers sea views along the coastline of Nerja and the surrounding hills of the national park.

On the upper floor, you will find the master bedroom with en-suite bathroom and another private terrace that provides the same stunning vistas already mentioned.

There are 2 more floors down from the entrance level. The first has 2 bedrooms and a family bathroom. The second lower floor features a fully self contained apartment made up of a kitchen, a double bedroom, a bathroom with shower and an open plan lounge. In addition to this exceptional living space there is a covered terrace with barbecue area that yet again, provides fantastic views of the valley. It is worth noting that the apartment can be accessed from both inside and outside the house should you want it to be independent with its own separate entrance.

The property also benefits from air conditioning throughout. Completing the property is a beautiful communal pool area as well as an allocated parking space with lift access.

This property really needs to be seen to be appreciated!

Do not hesitate to contact us for further information and to schedule a visit.
