Costa del Sol East, Nerja

A cluster of 5 modern villas are being constructed in Fuente del Baden / Capistrano area. They are being built to high standards. Each one will have three bedrooms, three bathrooms with private pool and parking.

This is your chance to have your own new home in Nerja, Málaga, Andalucía. All houses have been constructed in a way to maximise the views from the main areas so all houses will have south facing sea views. Apart from having a modern spacious home you can get everything new with great style, taste and made of the highest quality materials.

There are two villas still for sale and completion is expected in April 2025 and the December 2025 for the last villa..

Take a look at the Virtual Tour of one of the completed villas to give you an understanding of a similar layout and the quality of the finish.
