Costa del Sol East, Frigiliana

Nestled in the countryside but just 15 minutes from drive from Frigiliana village is this lovely cortijo with stables and pool.

The house features a spacious living space (40m²) with large windows that offer spectacular views of the surrounding mountains, a kitchen and dining area, plus, 3 bedrooms (one is on a mezzanine level) and a family bathroom. There are possibilities to extend the mezzanine throughout the house, above the kitchen and have two complete floors of living space.

Surrounding the building is a spacious flat plot of 2500m² with stables which is suitable for horses (OCA licence for 4 horses in place) or they could be used as kennels.

The building, stables and gardens are currently undergoing some updates. We will have more photographs of the changes soon.

There is good access to the cortijo with only a short track that is not concreted. The property has a first occupancy licence (LPO) and includes a 70,000 litre water deposit combined with a water share that has a daily allowance of up to 1700 litres.

This really is a lovely haven for nature lovers and for those who would like privacy but who want to be a short drive from Frigiliana village.
