## Axarquía, Benamargosa

This large townhouse is located in the heart of Benamargosa, a step away from all amenities and only a 20 minutes drive to the coast. It will make an ideal B&B or a very large family home. The bedrooms are distributed in different areas of the house, giving them privacy and all around the center bit of living room/bathroom/kitchen and large courtyard. Property needs updating and only one outside part of the house accessed via the courtyard will need full renovation. There is a second bathroom in the courtyard. Request your property video.
