It's beautifully designed, tastefully furnished, and boasts spectacular views across the juicy green Cabopino golf course and the shimmering blue sea. The living area and the master bedroom have access to the large private south-facing terrace, equipped with electric awnings. The second bedroom faces the community swimming pool and the mountains. All doors and windows have electric shutters. The 12 m² rooftop terrace offers truly panoramic views of the golf course, the sea, the mountains and the surrounding area. The apartment has been rarely visited and kept immaculately by the owners. It comes with an underground parking space and a storage room. This closed community was delivered in 2021.
