Higueron South Residences is an ambitious project consisting of 164 homes surrounded by the natural landscape of El Higueron. The residences consist of 70 luxury flats, 49 garden villas, 25 sky villas and 20 sky penthouses.

The luxurious, spacious homes have 2, 3 and 4 bedrooms, with elongated sliding doors to maximise natural light and highlight the amazing views.

The design of South Residences is avant-garde and uses sustainable materials such as corten steel, stone and wood.

The houses in South Residence are numbered like a hotel and that is no coincidence. People buying a house in South Residences will be able to use the services of the Higuerón Hotel Curio Collection.

South Residences is perfectly located between the beach and the mountains. You can get to any of these places in less than 5 minutes. It is also just a short drive to Malaga Airport.

Common areas include an outdoor cinema, a coworking space, a walking trail, a picnic area, a barbecue area, a pet park, an outdoor gym and a swimming pool for adults and children.
