375,000 €

Reference: R4773820 Bedrooms: 2 Bathrooms: 1 Plot Size: 245m² Build Size: 187m²

Costa del Sol East, Torrox Costa

New development of 3 semi-detached single-family homes in Torrox-Costa, 1,200 m from the beach, Cortijo Amaya. Thanks to a good connection to the A7 motorway, Málaga City is 35 minutes and 40 minutes from Málaga airport. They are designer homes, designed by the architect Javier Gámez.

With a very studied distribution, flat roofs, corners with inclined walls, double-height living rooms and large windows. Singular and avant-garde design that differentiates them from the rest.

The three homes, of which two are on the corner, are 1.200 meters from the beach, have SOUTH orientation, and sea views.

Plots of 245 m². Constructed surfaces of the homes 202m², 196m² and 187m².

They have a private pool, solarium and garden-barbecue area.

Thanks to the upward slope of the land, the main floor of the house is elevated three meters above the street, which favors the views. The garage, for two vehicles, is located at street level.

The rooms have been designed in double height to provide greater quality to the building.

On the street level there are also some rooms, which enjoy natural lighting and ventilation, which serve as a relief, gym, office, and eventually, guest accommodation.

On the upper level of the house, a double-height living-dining room, an open-plan kitchen, two bedrooms and a bathroom.

Street level: Uncovered car port and 30 m² covered garage.

The homes have a pergola interior patio that connects all their levels.
